

Spider Mat

Printable Counter Top Cling Media

Our new stick-on, peel-off printable “SPIDER MAT” for counter tops and table tops protects your counter tops while displaying your retail message directly on your counter top. Printing Service Providers no longer have to construct a printable counter top mat from multiple substrates that result in different products from different print media providers.

Features

- ▶ High-quality PET substrate used for the print surface is extremely stable & durable.
- ▶ The Micro-suction cling technology provides up to 220 pounds of slide resisting holding force per square foot which means it will not move around on the counter
- ▶ Installation is very simple, just remove the protective release liner from the back side and place the printed mat directly onto the counter top.
- ▶ Printed mats can be sent directly to stores where the store personnel can easily install the mat.
- ▶ Printed Spider Mats can be rolled up for easy and cost-effective shipping.
- ▶ Combine with our Anti-Bacterial Over Laminate film to create a reusable and bacteria free retail counter top surface.

APPLICATIONS

- ▶ RETAIL COUNTER TOP MATS
- ▶ RESTAURANT COUNTER TOP AND TABLE TOP MATS
- ▶ WOOD, WINDOW, OR METAL SIGNAGE
- ▶ ELEVATOR SIGNS & GRAPHICS (GREAT ON STAINLESS STEEL)
